

2021 CHARDONNAY | \$32

Tropical | Round | Creamy

A compelling mix of Old and New World techniques.

Aging: 5 months – Stainless Steel

Wine Composition: 100% Chardonnay

Case Production: 118

Alcohol: 13.35%

Nose

Classic barrel-aged notes of butter and beeswax, vanilla and coconut.

Palate

Medium-bodied with bright acidity and a creamy smooth texture, you'll find an appealing and round mouthfeel. Notes of tropical and stone fruit flavors from yellow peach and apricot to papaya and pineapple lead to a generous, lingering palate.

Pairings

We suggest aging this wine for another 2-3 years for optimal flavor. Enjoy with spicy Thai dishes or a meal of moules-frites and crusty sourdough.
